

The Ice Sheet was built in 1994 as an Olympics venue for the 2002 Winter Games. The Ice Sheet is known as one of the top curling venues in the world and is a proud addition to Weber County's recreational facilities. The Ice Sheet offers a wide variety of recreation and sport opportunities in such areas as Ice Hockey, Figure Skating, Curling, and Public Skates. The Ice Sheet welcomes participants from 3-100+, 360 days a year so come join us and enjoy our year around winter sport facility.

The Ice Sheet specializes in events in sustainable, community building events in conjunction with our partner organizations including:

- Open Skate
- Field Trips
- Room Rentals
- Figure Skating practices, competitions & Regional test sessions
- Youth, Junior & Adult Hockey practices, games & Tournaments
- Curling league & Bonspiels
