# HERE, INNOVATION IS A *NATURAL ELEMENT*

*Inspired by the beautiful scenery and changing seasons of Minnesota, Mystic Lake Center combines the elements of nature with modern, functional design and state-of-the-art technology, innovation and quality.*

**More than a meeting space, Mystic Lake Center builds a true connection between work, social and nature. With distinguishing features and exceptional design, Mystic Lake Center showcases:**

- **Dynamic SageGlass®** – 11,000 square feet of glasswork provides natural light and electrochromic technology that reacts to sunlight, preventing glare and heat gain
- **Custom Chandeliers** – An intricate design emulates drops of rainwater on a lake
- **Wood Portals** – Representing the curve of a cattail, oversized wood portals welcome guests and lead into versatile ballrooms
- **Illuminated Art** – Wall décor and lighting reflects the colors of the seasons
- **Modern Finishes** – Textured patterned carpet in blue and gray tones depict the movement of a flowing river

## A WELL-APPOINTED RETREAT *AT THE END OF THE DAY*

*With the addition of 180 hotel rooms in a stunning nine-story tower, Mystic Lake Center joins Mystic Lake Casino Hotel® to form one of the largest hotels in the Twin Cities metro area, with a total of 766 rooms.*
