# EVENTS ARE SAFER AND CLEANER WITH USS

**At USS we're leading the way in creating a safer and cleaner portable sanitation experience.**

## More restrooms mean shorter lines

No one likes waiting in line for the bathroom. USS has the largest inventory of portable restrooms so you can deploy the right number of units, in the right locations, to minimize wait time.

## Clean hands within arms reach

Portable sinks and hand sanitizer stands from USS go anywhere. We make it easy to provide soap and running water or alcohol-based hand sanitizer throughout your event.

## Restroom trailers elevate the experience

Upgrading your portable restrooms to a mobile restroom trailer, complete with power and running water, add to the comfort of your patrons.

## High quality service with disinfection

When servicing a unit we don't just make sure it's clean - we make sure it is safe AND clean. That's why our 10-step service process now includes using a medical-grade disinfectant on high-touch surfaces of our equipment for extra protection.

## Restroom attendants improve the experience

Make your patrons even more comfortable by using our event staff to keep lines moving and ensure that restrooms and hand hygiene stations are always stocked and ready for the next visitor.

## Plan ahead and communicate

USS is here to start the planning process early leading up to your event so that you can communicate to your patrons to ensure safety to elevate the experience.

# EVENT SITE SOLUTIONS

STRESS LESS, TRUST USS

**United Site Services is trusted by more top event professionals for temporary site services than any other provider.** From large multi-day public events with thousands of attendees to small private parties, our lineup of portable restrooms and temporary fences are designed to provide you with options to match your event needs. # HAND HYGIENE SOLUTIONS

MAINTAIN A SAFE AND HEALTHY EVENT

## Maintain a safe and healthy event with hand hygiene stations from USS.

We offer portable sinks and hand sanitizer stations as an easy way to keep hands clean to prevent the potential spread of germs and bacteria. USS will work with you to manage your service schedule to make your event go off without a hitch.

### HAND WASHING SINKS

- ▶ Foot activated faucet allows both hands to be washed simultaneously
- ▶ Accommodates complete forearm washing
- ▶ Stocked with:
  - Antibacterial soap
  - Non-potable water
  - Paper towels

### HAND SANITIZER STATIONS

- ▶ Stocked with hand sanitizer gel
- ▶ Designed for easy access in any indoor or outdoor location

\* Equipment model will vary

## RECOMMENDED HAND HYGIENE PLACEMENT

Consider all the locations where you should provide hand hygiene stations including:

- ▶ entry
- ▶ near food and beverage areas
- ▶ outside restrooms
- ▶ other areas where patrons will congregate

# PREMIERE TRAILER SOLUTIONS

DIVERSE LINEUP FOR EVENTS OF ANY SIZE

Offer added luxury for your guests with a **restroom trailer from USS**. With the largest trailer fleet in the industry—more than 1,000 restroom trailers and hundreds of shower and laundry trailers—with coast-to-coast locations, we have a solution to provide comfort and ease to your guests no matter the occasion. From small one or two toilet units to extra large trailers with more than nine toilets, USS has a full complement of trailer sizes, features and finishes to meet your needs.

## STANDARD FEATURES

- ▶ Flushing toilet(s)
- ▶ Individual stalls
- ▶ Hot and cold fresh water sink with soap
- ▶ Paper towel dispensers
- ▶ Air conditioning
- ▶ Lighting

## ENHANCED FEATURES *(upgraded units or add-ons)*

- ▶ Fresh water services, if not available on site
- ▶ Upgraded flooring and countertops
- ▶ Interior sound system
- ▶ Full length doors on stalls for privacy

# HIGHEST QUALITY SERVICE STANDARDS

THE USS WAY

**USS is committed to the highest quality cleaning, every time we perform a service.** Our industry leading practices were developed over twenty years to create an experience that you will be proud to provide your patrons.

## THE 10-STEP SERVICE FOR PORTABLE RESTROOMS INCLUDES:

1. Ensure unit is on safe, level, convenient and accessible location
2. Inspect restroom for damage or needed repairs
3. Pump all waste and debris
4. Spray interior with disinfectant, scrub, rinse
5. Refill holding tank with water and deodorizer
6. Dry toilet seat and top of holding tank
7. Refill hand sanitizer
8. Replenish toilet paper
9. Sign the service sticker
10. Spray all high-touch surfaces with medical-grade disinfectant

At USS, we have the largest team of service technicians, so no matter where your event is, or how large it is, our team is ready to back you up. Plus all of our team is drug tested, background checked and undergoes ongoing training around safety and service practices.

# TEMPORARY FENCE

SECURE YOUR EVENT

Our range of temporary fence solutions provide security and can help with traffic flow and crowd management. Every year the team at USS installs enough temporary fence to reach from New York City to Los Angeles - so you can trust the experts with your next event.

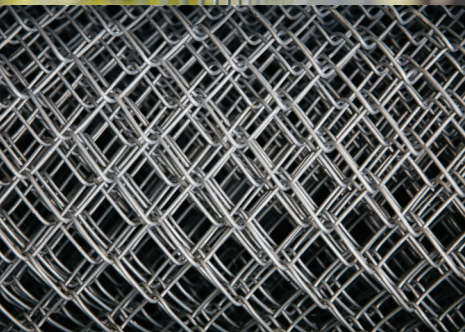

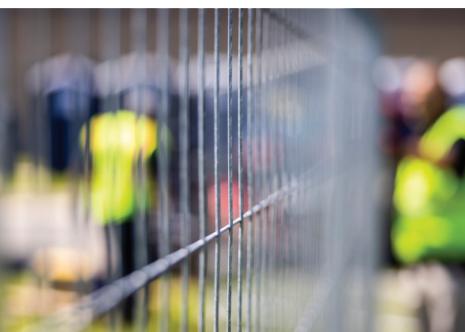

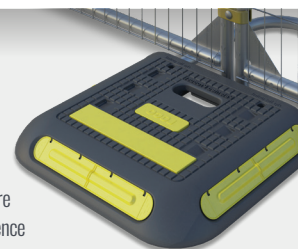

## FENCE PANELS

- ▶ Durable steel panels available in 6' or 8' height
- ▶ Lightweight panels allow for multiple configurations
- ▶ Sandbags and/or "big feet" to secure fence panels

### BigFoot Ballast Weight Stands

An alternative to sandbags to secure your temporary fence panels.

## CHAIN LINK FENCE

- ▶ Secure installation on any surface: dirt, asphalt or concrete
- ▶ Temporary fence posts embedded 2' deep into the ground for increased stability
- ▶ Available in 6' and 8' height

## BARRICADES

- ▶ Constructed of strong, durable steel, built to withstand wear and tear
- ▶ Easy to maneuver panels into unique placement configurations

## PRIVACY SCREEN

- ▶ Provides site noise reduction and visibly shields contents of site
- ▶ Reduces wind impact by protecting on-site personnel from airborne dust and dirt

# ATTENDANT SERVICE

CONTINUOUS ONSITE SERVICE

**Planning an event that requires continuous service of your on site restrooms?** You can utilize restroom attendants from USS to make your patrons even more comfortable. They will continually sanitize, stock and refresh your restrooms to provide your guests with a safe and clean restroom experience.

## EVENT ATTENDANTS FROM USS

### EASY

Continually monitor restrooms to provide the best experience for your guests/patrons

### SAFE

Periodically sanitize and disinfect high touch surface areas

### CLEAN

Restock restrooms with supplies and dispose of trash

USS has a team of expert Event Project Management specialists to assist with the flawless execution of major events.

# EVENT EXPERIENCE

FROM LARGE TO SMALL EVENTS, FLAWLESS EXECUTION EVERY TIME

## Take it from our customers...

**"Your commitment and flexibility throughout the entire planning process was instrumental in creating a successful, once-in-a-lifetime event. Your gameday restroom techs were great to work with."**

Patricia Ryan / President / Party Planners West, Inc. (for Super Bowl LV)
