SC Staffing & Consulting specializes in convention and conference staffing solutions. With over fifty years of providing staffing solutions, we know what it takes to support the ideal convention experience.

We are a trusted resource for our partner-clients who count on the exceptional customer service of our associates to create an unforgettable experience which positively reflects their business.

In the words of a satisfied customer, "SC provides trusted, reliable service every time!"

When it comes to staffing events, one size does not fit all. SC Staffing & Consulting customizes for your needs and your budget to provide the best coverage and best value.

Let our attentive associates provide the industry specific details that go into a successful event whether it is a large annual conference or a more intimate meet-and-greet with targeted clients. SC Staffing & Consulting is adept at staffing a wide array of events from large scale multi-site conventions, tradeshow, and expos to medium and small VIP receptions, promotional events, and sales meetings.

Philadelphia, the birthplace of the United States, offers your attendees a special experience; our database of local, hand-selected, professional associates lets you discover capable team members with a multitude of skill sets to provide an excellent overall presentation with hometown knowledge.

All SC Staffing & Consulting associates are dedicated, organized, and adaptable to a variety of situations.

We place the following staff:

- Administrative (Show, Sales, Conference, Press, Speaker Offices)
- On-site Event Coordinators
- Logistics/Registration
- Badge Holder Pick-Up Support Personnel
- Managers
- Bag Stuffers
