Interactive and CLEAN: The perfect theater outing for your group.

## WHAT IS COMEDYSPORTZ?

ComedySportz is a completely improvised show in which two teams, The Philadelphia Fighting Amish and The New Jersey Turnpikes battle for your laughter. The show is interactive with the Players using your suggestions to create comedic scenes, songs and games. You vote for the team that makes you laugh hardest and you decide the winner. ComedySportz is fast, smart, funny and clean; a professional comedy show that is perfect for any group.
