

THE IMS DIFFERENCE

FLAWLESS PERFORMANCE

We separate ourselves from other companies by an unmatched passion and enthusiasm that we bring to each and every project – we truly love what we do and we love helping our clients deliver the very best possible event for their organizations. Our drive for perfection stretches from internal management all the way out to the technical team on-site.

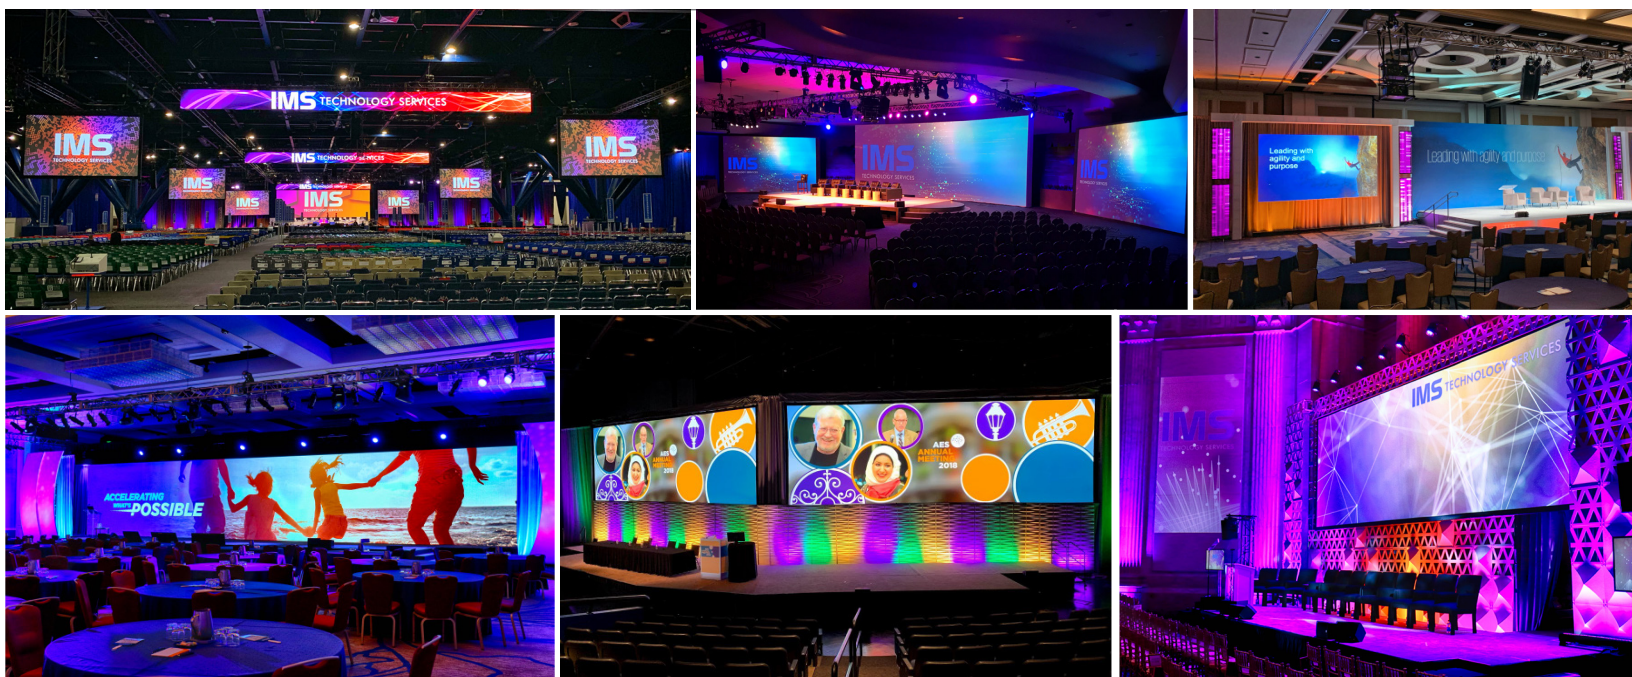

PERSONAL TOUCH

Each customer is assigned a dedicated production manager and account representative to cover all aspects of the planning, execution, and fulfillment stages of each meeting or event. Our unique combination of this can-do attitude, cutting-edge AV technology, and creative production ideas ensures flawless, memorable events that convey your vision and your voice, while working within your budget.

EXTENSIVE EXPERIENCE

We have a tremendous depth and breadth of experience covering all types of live events, from product launches, corporate events, inaugurations, and annual meetings to commencements, symposiums, galas, and training meetings. Our technical and design experts provide AV, production, scenic design, and staging for all sizes and types of live meetings.

Superior **customer service**, seamless **event execution**, and innovative **creative direction** for meetings and events.

Our all-encompassing technology solution is designed to support your meeting from the pre-event planning phase through post-production:

Event staging and production

Scenic and set design

Audio visual technology

LED walls and digital signage

Lighting design

Content creation

Speaker management

Digital services

Hybrid and virtual events

Post-production services

Our individual approach with each and every client fosters long-term relationships while providing high-impact events that participants remember.
