

## *Historic Philadelphia*

Welcome to the city of Philadelphia, famous for cheesefks, lawyers and liberty.

America's original capital is rich with revolutionary history, culture and symbolism. Home to the Liberty Bell and the Declaration of Independence, today's Philadelphia is far from a historical relic. Urban and urbane, Philadelphia is a rich mix of traditional and ethnical cultures, as well as home to an exciting collection of cultural, culinary and recreational amenities that only a city of Philadelphia's heritage can provide. We will be happy to make reservations for you during your stay.
