

GREENHAUS

EVENT SPACE AT

Kinship
LANDING

✕ Host an Event at Kinship Landing

The 'Greenhaus Event Space' is truly one-of-a-kind venue in Colorado Springs. This urban lush greenhouse complete with 1,000 sf. is filled with beautiful natural light and is the perfect intimate gathering spot for social and corporate events. If you're having a ceremony at a venue nearby, we can be your one-stop-shop for the rest. With itinerary builders, room blocks, a beautiful café and bar, and all the resources your guests need to have the best time in our city—we'd love to be where you land.

In addition to the Greenhaus, our reservable conference room along with access to the Homa Café and Bar will increase capacity and is available upon request. Gatherings great and small, we've got space for you!
